

TAX ACCOUNTANT ROLE AVAILABLE

About Us

HHH Partners is an advisory and accounting firm with 4 Directors and over 30 staff operating across two offices. We have been established for over 38 years and are renowned for providing quality services to our clients in the areas of taxation, business advisory, accounting, self-managed superannuation, succession and estate planning and finance & lending.

The Role

HHH Partners are currently seeking a tax accountant position.

Some of the work you'll do in this role includes:

- Preparation of tax returns and financial statements for all entity types across a diverse portfolio of clients
- Management of periodical indirect tax matters for clients including PAYG Withholding, GST, FBT and payroll tax
- Assist in the management of tax planning for clients
- Liaise with regulatory bodies on behalf of clients including ATO, Office of State Revenue & Long Service Corporations
- Supervise and support junior team members and manage workflow

The Benefits

- Open door policy with direct access to supervisors and Directors
- Support from dedicated bookkeeping/BAS processing team
- Learning and professional development opportunities via our in-house training programmes and access to our online learning management system which has a wide range of topics available for self-paced learning
- Support offered during CA/CPA study including financial support via 100% reimbursement of costs and paid study support
- Flexible working arrangements
- RDO system

Skills & Experience Needed

It is expected that successful candidates would need to have the following for these roles:

- Good communication skills
- Intermediate to strong technical skills
- A minimum of 2 years' experience working in a similar role
- Ability to build strong working relationships with clients and colleagues
- Hold an appropriate accounting degree

If any of these roles sound perfect for you, please submit your letter of application and resume to admin@hhhpartners.com.au
